

Visitors can look forward to a 5x hall bonanza!

Following the announcement that Harrogate International Nursery Fair – which takes place from 16th to 18th October 2022 – had already used up its initial space allocation; the organiser today

announces recent expansion plans are already attracting more brands to confirm.

Adrian Sneyd, show organiser, explains: “It was amazing to be able to fill our original space so early and we were very keen to be able to continue to grow the show to bring more opportunities for buyers to see numerous new brands and products. The ability to now expand into the new *Kings Suite Hall* is already attracting further brands to book and more enquires are coming in daily.

“The Kings Suite plans have been available for a very short time, but already we have Cosatto and Tutti Bambini taking large stands with many other enquiries in the pipeline, including international brands. The extra space offers flexible stand sizes to suit all needs and will be very familiar to visitors as an area that we have used in recent years.”

If you manufacturer or supply baby products to the trade – Harrogate International Nursery Fair is a must attend event. If you would like to exhibit, visit www.nurseryfair.com and complete the online booking form with your requirements and Adrian will get back to you as soon as possible. If you are a Baby Products Association member, don't forget to mention this as you will be offered a preferential rate.
