# About Harrogate

One of the great things about our venue is that it is located geographically in the centre of the UK and right in the heart of one of the most vibrant and beautiful towns in England.

When the show closes, you'll be spoilt for choice from the dozens of great restaurants, bars and cafés all within an easy walk of the venue. Jamie Oliver, award-winning Tom Van Zeller and Antonio Carluccio all own restaurants in the town, while no trip to Harrogate is complete without visiting the world-famous (and soon-to-appear on Downton Abbey) Betty's Tea Room - a great British tradition!

## Getting here

Harrogate is half way between London and Edinburgh and getting here is easy. We are just seven miles (11km) from the A1(M) and we have direct rail links with London.

Leeds/Bradford International Airport is just a 30-minute drive away and opens up Harrogate to the rest of the world with regular low cost flights with British Airways from London Heathrow.

## Staying in Harrogate

To make the most of Harrogate you need to stay here and that's no problem with more than 2000 hotel rooms in the town mostly all within walking distance. We have everything from magnificent country houses and stylish town centre boutique hotels to Bed & Breakfast or guesthouse.

The venue itself has more than 320 onsite hotel rooms thanks to integrated Premier Inn and Holiday Inns.
