Celebrating 20 years

Bugaboo pushchairs have been helping families get out and explore for 20 years and are a firm favourite thanks to their versatility and ease of use.

The company has come a long way since that first model hit the streets, constantly innovating its pushchairs to meet the needs of the modern parent. It found out what parents really need and developed a collection of pushchairs to suit different lifestyles the world over. From the city to the woods, through sand and snow, Bugaboo ensures that families can go anywhere and do anything with their pushchair.

It's a corker

Leading nursery distributor, Cheeky Rascals is excited to launch the luxury mima Xari pushchair in a brand-new limited-edition colour this Spring! Introducing champagne, a striking, metallic gold, inspired by the impending arrival of The Duke and Duchess of Sussex's royal baby.

The mima Xari offers a modern twist on the traditional pushchair, with safety, style and innovation at the forefront. Thanks to its hidden carrycot inside the seat, available to zip in and out within seconds, the premium mima Xari, is perfect for urban families who might be short on space and also creates its smooth, sleek design.

Its 3 in 1 capability also mean that the user can quickly and easily adapt the pushchair and the bespoke design service gives parents the option to choose from a range of different colours for the chassis, seat pod and cushion kit.
