Funky teethers

Say hello to Squidge & Pip, British Made sensory teething toys, designed to complement baby's development. Founded by mum of two Mary Lord, Squidge & Pip was developed from her passion to

create a funky toy that blends contemporary design with function. Along with the primary teething features this innovative little duo (Squidge the dog and Pip the cat), stimulate baby's senses, are easily attachable, and can even be sterilised after a hard days chew. Each toy comes with their very own

handy travel pouch and is beautifully packaged to make that perfect statement gift.
