

Let Paul ‘Entertain You’ at Harrogate International Nursery Fair Party & BANTA Awards night

Fans of Robbie Williams and Olly Murs will be rushing to buy tickets for the Harrogate International Nursery Fair Party & Awards night this year with outstanding live entertainment provided by what is widely regarded as one of the most authentic tribute shows on the circuit.

Paul Reason not only captures the look of Robbie, but also his mannerisms with cheek, charm and sex appeal will have jaws dropping in amazement. Paul also sounds incredibly like Robbie with powerful vocals recreating favourite songs from the performer’s Take That and solo careers. True to life, he will also be joined by stage buddy Olly Murs (aka Mitch Corner) with a mix of both solo performances and duets.

At the Majestic Hotel on Sunday 23rd March, this is a not-to-be-missed event open to exhibitors and visitors and includes a three course meal, brief celebrations as the BPA’s Baby & Nursery Trade Awards are presented before heading on to the star studded performance of the evening.

Tickets are just £48 (including VAT) and are selling fast, so book early to avoid disappointment. Email adrian@nurseryfair.com
