

## Join the buzz

There are great vibes about Harrogate International Fair this fair this year, with two halls of the Harrogate International Centre already fully booked and social media platforms flowing with conversations about new product launches and special show offers.

Andy Crane of BabyStyle said: “Our sales agents advise that they have back-to-back appointments on Sunday and Monday and are also making appointments well into Tuesday. Almost every independent retailer we have spoken to plans to visit, so we are looking forward to a very busy show.”

If you are a retailer or buyer, don't forget to pre-register – and if you have colleagues new to the industry, don't forget to remind them to sign up to visit.

This is a not-to-be-missed event for anyone in the nursery industry, so if you haven't already booked your stand, there is still the chance to snap up a last-minute stand. Contact Adrian Sneyd on 01902 880906 or email: [adrian@nurseryfair.com](mailto:adrian@nurseryfair.com)
