From flowers to footmuffs!

A relative newcomer to the nursery industry, MaByLand, arrives with a fantastic variety of baby products designed by a mum to make life a little easier. These include the must-see Floral Collection featuring contemporary flowers giving the popular MaByLand Overnight Bag a fresh new look and also the new Luxury Changing Mat.

Also new to the range, and joining its award-winning Trek Baby Carrier, is the MaByLand two-way Snuggle Carrier featuring a subtle logo and available in a large selection of colours. The Carrier acquires its name as it features an attachable super soft cotton blanket which is stored neatly inside the front pocket.

Many more exciting new products will be on display, such as sleeping suits and footmuff sets. Visit stand C35a for exclusive offers and competitive trade prices.
