

2 June 2014

## **Don't miss your priority opportunity to secure your position for 2015**

Companies which exhibited at Harrogate Nursery Fair in March 2014 have until the end of June to secure the same space again for 2015, or request a new position before general sales open shortly.

Adrian Sneyd, show organiser, comments: "We have always had the policy to allow previous exhibitors the first chance to re-book again before offering space to new companies. Once we receive your booking form, on which you can also use it to tell us any changes you wish to make, it gives you the advantage of getting in first before general release. A paid deposit then secures your stand leaving you free to concentrate on the rest of the year while being safe in the knowledge that they have one of the better positions in the show."

Full information about booking for next year's show is available at [www.nurseryfair.com](http://www.nurseryfair.com), or email: [adrian@nurseryfair.com](mailto:adrian@nurseryfair.com)
