

## Spoilt for choice

Harrogate International Nursery Fair has had an influx of exhibitor bookings in recent weeks, including lots of new international brands, toy brands and the return of previous exhibitors.

The show promises in excess of 170 companies showing some fabulous product ranges, so great news for retailers looking to entice customers with exciting new baby products. Visit the website at [www.nurseryfair.com](http://www.nurseryfair.com) for a full list of exhibitors – and don't forget to follow us on [Facebook](#) for all the latest news.

## Smart and sharp

Satu and Erasmus are busy parents of a toddler and twins and know firsthand how it can be quite a juggling act to stay on top of what's going on with the next generation. They also know that there's more to smart baby monitoring than just hearing and seeing the child. That's why they have invented an innovative, versatile baby monitoring system with HD quality video streaming, alerts and online tools that help parents monitor, measure and stay connected. **Visit Onni Smart Care on Stand H37.**

## Toys galore

Galt Toys will be showcasing a whole host of new products including Dino the Dinosaur, Songbird and Ted and Tess, plus popular toys from the Dr Miriam @ Galt, First Years and Ambi ranges. John McDonnell, managing director at Galt Toys, said: "The Fair is a perfect opportunity to showcase our new products alongside some traditional favourites. We're particularly excited to introduce six new Ambi® Toys based on the original designs of world renowned toy designer, Patrick Rylands. **Visit Galt on Stand D7.**

## Silicone Gummee

Gummee Glove, the multi award-winning teething mitten for babies will be launching a new silicone version of its popular Glove at Harrogate International Nursery Fair. The exciting changes include a heart-shaped silicone teething ring and two silicone side-teethers. As before, the teething ring can be detached and refrigerated to help soothe young gums but it can now be steam sterilised. Come along and see the Gummee Glove and meet the team on **Stand QF4.**

## Freedom for Little Explorers

New to the UK market, SafeheadBABY will be launched by Safehead Inc at Harrogate this

year – a soft, ultra-light weight protective headgear designed for babies learning to walk, giving the confidence they need and the freedom they deserve to explore their surroundings without parents having the fear of them injuring their head. Patented, tested and certified, the company is ready to go global and is looking for distributors to take on SafeheadBABY and make it available to as many parents worldwide. **Visit *SafeheadBaby on Stand HP112.***
