# Dates for Harrogate 2022 announced

Harrogate International Nursery Fair has announced its new show date for 2022 – **16<sup>th</sup> to 18<sup>th</sup> October** at the Harrogate Convention Centre.

Adrian Sneyd, show organiser, explains: “There has been much deliberation about when the show will work for most brands after the covid disruption. This year’s October show has proved hugely successful for exhibitors involved and we have therefore decided to stay with October for 2022.”

Companies exhibiting this year will be given priority booking for the 2022 event and will be contacted once booking for the show opens.
