

Show winners

The first day of Harrogate finished with celebrations as the winners of the Baby Products Association's annual industry awards were announced.

The winner of the Concept & Innovation Award is Christopher Melia with Cot Cool a clever device to lower the temperature in a baby's sleep environment during hot weather. Christopher was presented with a trophy and will also receive free legal advice as his prize from sponsor law firm 3Volution.

The results of the Baby and Nursery Trade Awards (BANTAs) are as follows:
