

Celebrate in style

This year, **Babystyle** celebrates 25 years trading and will be hosting a ‘Champagne & Gin’ bar party’ on its stand M6, so do pop by and raise a toast with Andy, Sam and their team on Sunday at 4.30pm. After ‘warming’ up with BabyStyle be sure not to miss one of the highlights of Harrogate at the free drinks reception in the Royal Hall. This will start straight after the show on Sunday 13th October and run from 5.30pm to 8.30pm. Join the organising team and all your industry colleagues while informally mingling in the exquisite surroundings of a Victorian music hall whilst listening to live music and enjoying free drinks and food.

Designed with passion

Espiro has been passionately creating strollers and baby products for over 30 years. The company believes in actively discovering the world with children ensures that toddler and parents' mobility is not limited by anything. Espiro creates thoughtful solutions, which are reliable, versatile and easy to use. Espiro's motto is: quality, safety and design. Its products are designed internally and tested in European certification institutions, as well as in its own laboratory. Convenience of use and the safety of toddlers is the company's priority. Working with young Polish designers, Espiro makes sure that the products perfectly correspond global trends.

Air quality

Nooku believes it's time to start caring about your indoor air. We now spend **90%** of our time indoors, where the air can be 5 times more polluted than outdoor air. Nooku makes understanding air quality simple for the whole family. The large touch screen provides live updates and actionable insights on how to improve your home environment. Simply pop on the bear character cap and nooku transforms into your air quality sidekick with gamified challenges and educational content to help everyone become an air quality champion. Air quality made simple.

From Rome

Born in 1912 from a small family business, today Nanán is an international children's furniture and clothing brand based in Rome, with its operative base in Ravenna. The company was born from the love of a mother and her daughter and their vision of creating a world that envelops the mother and baby through the tender 'childhood friends' bears.

Sing along

Meet tonies®, the world's largest interactive audio platform bringing songs and stories to millions of children. Intuitive, award-winning and fun, the Toniebox is robust and screen-free. There are over 200 Tonies to collect, with new ones launching every month. As well as classics like the Gruffalo and Paddington and favourites like PAW Patrol and Peppa Pig, the tonies® portfolio also includes the Sleepy Sheep Night Light and Sleepy Friends Tonies. These are sleep routine Tonies designed to help little snoozers wind-down, cuddle up and drift off to the land of nod.

Chicco is back

RKW is pleased to be exhibiting at Harrogate for the first time! As the UK's exclusive distributor of the popular Chicco brand, the company is excited to showcase its latest products at the show. Chicco earned its reputation through a parent-centred philosophy. An example of this is their newest innovation: the Next2Me Twin System, a co-sleeping solution for twins! This is just one of the products that proves Chicco's understanding of parent's needs and will be shown at the show.

RKW will also be showcasing products from brands Boppy and Hubble.
