

A truly international event

Following a bumper show last year, visitors to **Harrogate International Nursery Fair** from 16th to 18th October 2022 are in for what promises to be a bigger and more international

event than ever. As well as numerous well-known returning brands such as Hauck and Dorel Juvenile, this year promises almost 40 new exhibitors – many from overseas – giving the event a truly international flavour.

Companies from Turkey include *Casual* and *Dolu Baby*; from Poland *Avionaut*, *Eko*, *First Baby*, *Kinderkraft*, *Sofija Ewa Klepacz* and *Scorpio*; from Germany *ABC*

Design, *Roba* and *Trend for Kids*; from Denmark *Done by Deer* and *Lullaby Planet*.

With new companies booking almost daily, buyers attending Harrogate this year can be certain to find an array of exciting new products from around the world, right here on their doorstep.

If you haven't already, don't forget to register online at www.nurseryfair.com – and if you have new colleagues who may not be aware of the show, be sure to send them an invitation.

Safety is at the heart of The Little Silk and the company is thrilled to announce that it has officially been endorsed by the Lullaby Trust. This partnership gives parents the peace of mind knowing that its silk bedding is sleep safe. Sleeping on silk will give babies great benefits for their hair and skin, but its breathability and hypoallergenic properties also mean they are the safest option for babies when it comes to bedding.
