

Check out some great products at the show

Excitement is high as the nursery industry plans its first face-to-face get together in two years! Harrogate International Nursery Fair offers retailers and buyers the unrivalled opportunity to see all of the latest new baby products under one roof. Here's a taste of what some exhibitors have to offer...

Baby essentials

MuslinZ has designed and developed a huge range of textile baby essentials at its Oxfordshire base. From the humble yet 'must have' muslin square to re-useables such as washable cloth wipes and cloth nappies. With quality, affordability and sustainability being the key to MuslinZ success. Manufactured in Oeko Tex certified factories in Pakistan to Oeko Tex standard 100. Immediate stock available within the UK.

Get organised

KeriKit is a combination of beautifully crafted, super functional bags and accessories that adapt to every version of mums and help them live their most organised and stylish life. As mothers we *always moving, often with*

a kid or two in tow and constantly switching between working, being a mum and precious Me-time.

'A bag isn't just an accessory, it needs to fit in with who you are, where you are going and be able to adapt just as often as we need t,' comments' Keri Jamieson, founder. For effortless organisation and uncompromising style it has to be Kerikit.
