

Press information – for immediate release

20th July 2023

Are you ready for Harrogate?

Harrogate International Nursery Fair – from 15th to 17th October 2023 – is now firmly on the radar of nursery retailers and buyers in Britain and Europe and Adrian Sneyd, show organiser, urges visitors to secure accommodation for their visit as demand will be at a premium.

Adrian explains: “Harrogate is a beautiful North Yorkshire town and a popular tourist destination too. With so many people attending Harrogate International Nursery Fair, both exhibitors and visitors, hotels and guest houses could be booked to capacity, so the earlier people reserve their accommodation the better.”

Once again, Nursery Fair has teamed up with Mice

Concierge which has secured rooms in the town’s major hotels from as little as £109 per night. This includes Doubletree by Hilton Majestic, Crowne Plaza, The Crown, The Harrogate Inn, The Yorkshire and The Old Swan (to name a few). It can also offer preferential rates at venues such as Ridding Park and The Grafton. For more information visit: <https://miceconciergeme.com/nurs23>

Visitors attending the show are also reminded to ensure they register for the event as soon as possible to ensure they receive regular newsletters with show and exhibitor information and details of special show offers. Attendance is free for all trade visitors. Visit [Harrogate International Nursery Fair 2023 \(touchfinder.co.uk\)](https://touchfinder.co.uk) to register.

For companies wishing to exhibit at the show, there is still space in Hall Q. For more information visit www.nurseryfair.com or contact adrian@nurseryfair.com or Tel: 01902 880906.
