Harrogate's 2022 show filling fast!

The UK's only nursery trade show – **Harrogate International Nursery Fair, from 16th to 18th October 2022** - is around six months away, yet the organisers advise that almost all major brands are signed up and space is already becoming limited.

This year offers an exciting new show layout presenting a much better flow for visitors attending and ensures every exhibitor cannot be overlooked with a more efficient route throughout the four halls proposed. This, together with outstanding feedback following the 2021 event; has meant that manufacturers and suppliers are keen to secure their positions early and already new companies have also jumped on board.

Adrian Sneyd, show organiser explains; "The 2021 show was an immense success for everyone; after almost two years with no events due to covid, the industry voted with its feet and the turn out of both exhibitors and visitors exceeded all expectations. In fact, some exhibitors mentioned that it was their best Harrogate show ever.

"This year we have moved into halls A, B, C & M which are all on one floor with a natural flow throughout. This will make navigating and finding exhibitors much easier for the retailers and buyers attending. As bookings currently stand, we are certainly expecting another bumper event this year."

The new layout hall plans together with the latest list of exhibitors can be viewed on the website at www.nurseryfair.com – but to name just a few: *Babymore, BabyStyle, Bebecar, Casa Tomara, Chicco, CuddleCo, Cybex, Emmaljunga, Graco, HippyChick, i-Candy, Joie, Mamas & Papas, Mee-Go, Peg Perego, Recaro, Roma, Silver Cross, Thule, Uppababy* and *Venicci* have all secured their stands

If you are a manufacturer or supplier and want to take advantage of the remaining spaces, complete the booking form on the website at www.nurseryfair.com – or contact Adrian directly: adrian@nurseryfair.com or call 01902 880906.
