Priority Exhibitor booking for Harrogate 2022 now open!

Harrogate International Nursery Fair – which takes place from 16th to 18th October 2022 at the Harrogate Convention Centre – has announced that its priority booking is now open for a limited period. Exhibitors who attended this year have until 1st February 2022 to secure their preferred stand before space goes onto general sale.

Exhibitors from the 2021 fair who wish to confirm their same stand size, or those who would prefer a new size or request the option to move, now have first option to secure this with the provision of a 25% deposit payment made before February 28th 2022. After this date all spaces will be offered out to the wider industry.

Adrian Sneyd, show organiser, comments: “After consultation with exhibitors during the last fair, we determined that the best approach to get the UK trade fair business back on track after the covid related upheaval of the last few years was to offer an 18-month plan for 2022 and also moving into 2023. October 2022 will see the next edition of the fair, hopefully then followed by reverting back to a Springtime show in 2023 to avoid the busy Autumn period as travel and international shows resumes.

Whilst October next year might seem a long way off, we are already receiving enquiries about extra space and position moves, as well as from potential new exhibitors wishing to participate at the 2022 show. Exhibitors securing their attendance early now will allow us to consolidate our forward planning whilst they ensure their own plans are all ‘nicely wrapped up for Christmas’ and can focus on other business knowing this will all be secured for later in the year.”
